Fall (September/October)

- Physical Exam
- Vaccines: Rhino/Flu
Strangles
- Strategic Deworming

Designed for horses with less risk. Horses that do not travel and have little to no turnover in their barn.

Designed for horses that are traveling, showing, and/or exposed to new horses. Also for horses stabled with other horses that travel and show.

- Fixed price includes Farm Call Fees
- Either plan qualifies for 20% off routine Power Float
